Complete College America is a national nonprofit organization working with states to significantly increase the number of Americans with a college degree or credential of value and to close attainment gaps for traditionally underserved populations.

We would like to thank our national foundation partners for providing multiyear support to Complete College America: the Carnegie Corporation of New York, the Bill & Melinda Gates Foundation, the Lumina Foundation for Education, USA Funds, the Leona M. and Harry B. Helmsley Charitable Trust, and the Kresge Foundation.
