Teaching and Learning

# Student Milestones

- All students are on a completion pathway by area of study
- Increased number of students earn 30 credits in year one
- Students successfully complete gateway math and English by their first year
- Required courses in program areas are available when students need them
- Students bypass excess credit accumulation
- Students persist (across term and across year) to completion of their educational goals

## PULSE – Integrated Career Advising Part 1: Enrollment

### Areas of Study (AOS):
