ACCELERATED STUDY IN ASSOCIATE PROGRAMS

Scaling What Works: How Leaders Can Transform Their Completion Cultures

**COMPLETE
COLLEGE
AMERICA**

Our Panel

Facilitated by Donna Linderman
Associate Vice Chancellor, CUNY

Panelists

Christine Brongniart
Interim University Executive Director, CUNY ASAP

Javier Legasa
Assistant Dean for Academic Affairs, Bronx Community College

Angélica Garcia
Vice President of Student Services, Skyline College

Jeremy Ayers
Vice President of Policy, Results for America

Key Considerations

- What are the key elements that make programs like CUNY ASAP successful?
- How has a full scale expansion of ASAP at BCC impacted system-wide completion reforms?
- Can this model be replicated and expanded in other states with the same results?
- What are the barriers of replicating and scaling models like this, from a policy perspective?

IMPACT

CUNY ASAP: Accelerating the Journey to Graduation

A Short Film Screening

What have been some of the key challenges of this last year of ASAP's CUNY-wide expansion to 25,000 students?

What have been the key reforms and systemic impacts college-wide that have been driven by ASAP expansion at Bronx Community College?

SPOTLIGHT ON

Skyline College's Promise Scholars Program

How has ASAP replication advanced college, and district-wide, comprehensive redesign?

DISCUSSION

How can policy drive the further expansion of ASAP, and how has Results for America supported this effort?
